## Are your tile floors and walls in need of some TLC? G P Maintenance Solutions is the answer.

Our line of MicroGuard® products provides a long-lasting, stunningly beautiful, sustainable and non-sacrificial finish. Our line of coatings protects tile & grout, stone, terrazzo, non-ferrous metal, painted metal and concrete surfaces from corrosion, abrasive wear, mold, odor, graffiti and chemical attack. Interior or exterior. MicroGuard® can be applied vertically (on walls) and horizontally (on floors). Ideal for Restrooms, Locker-rooms and common areas. Our anti-skid is perfect to reduce the potential for slips and falls.

Contact us today for a **FREE DEMO** (up to 400 sf).  
**Demo includes cleaning and coating.**
